### PiLiPiLi FLATZ, Resin Flats, semi-ronde

These flats are inspired by the nose art on US combat planes during WWII. A homage to the glamorous pin-up girls of the 40's and 50's.

## THE FIRST AMERICANS, Resin Figures, 1/15th - 120mm

Carefully researched and brimming with life-like details, these exciting figures will bring you back to the days when the West was wild.

Included with each kit is a detailed instruction sheet complete with facts and references

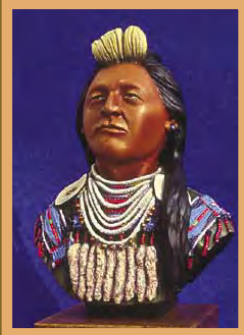

### Bio:

PiLiPiLi Miniatures is the creation of Le-van Quang, a former graphic artist who does the sculpting and also paints the box-art model. It started as an off-shoot of Quang's graphic design studio to become a Full-time occupation in 1995.

Our office and workshop are located in Mechelen (Belgium) half-way between Brussels and Antwerp.

**EXOTICA, Resin Figures, 1/15th - 120mm**  
Samurai, pirates, musketeers, ... Heroes and villains in popular culture recreated in exciting 120mm figures. Included with each kit is a detailed instruction sheet complete with facts and references.

**90MM SERIES, Resin Figures, 1/20th 90mm**  
While showing the same attention to detail and historical accuracy as our other kits, this smaller but nevertheless classic scale will appeal to the growing number of acrylic painters who prefer a smaller size for their fast-drying techniques.
